AIRX Spray N Go

Disinfectant Cleaner And Odor Counteractant

against the Covid-19 Virus

Airx Spray N Go Disinfectant

This product is a one-step hospital-use germicidal cleaner and odor-counteractant designed for general cleaning, disinfecting and deodorizing of hard, non-porous inanimate surfaces. Quickly removes dirt, grime, food residue, blood and other organic matter commonly found in hospitals, in health care facilities and on medical surfaces. It also eliminates odors leaving surfaces smelling clean and fresh. Use where odors are a problem.

SOFT SURFACES:

Kills microorganisms on soft surfaces, fabrics or blinds, beddings, blankets, chairs, couches, curtains, drapes, exercise mats, fabrics, gym bags, headrests, linens, mats for day care, mattresses, seat- and/or soft cushions, shades, sheets, sofas, sports equipment, towels, armchairs, upholstered furniture, upholstery, washcloths, and window treatments.

Disinfecting Steps for Airx Spray-N-Go

Step 1. Fill the Airx Pump-up Spray-N-Go bottle with ready to use Airx Spray-N-Go Disinfectant.
Or

Fill a labeled quart bottle with ready to use Airx Spray-N-Go equipped with a trigger sprayer adjusted to a mist.
