# Quarterly Carpet Cleaning Task Schedule

## PURPOSE

To avoid carpet damage where heavy traffic occurs.

## Quarterly Carpet Cleaning

### Task Schedule

#### Key Functions

Wet Floor Sign

**Use wet floor signs** to identify wet carpet.

Vacuum Both  
Directions

**Vacuum** carpet in both directions to insure all loose dirt is removed.

Pre-spray Spots  
& Stains

**Some** spots and stains have become set in the carpet over time, therefore it is necessary to pre-spray prior to cleaning.

**Do** not over wet carpet when cleaning.

## Quarterly Carpet Cleaning

### Quarterly

Place Wet Floor Signs

Vacuum carpet in both directions

Mix **Zing Stays Kleen** 8 oz.  
per gallon in a battery  
re-chargeable sprayer.

Pre-spray all spots and stains  
*allow to dwell for 1 minute*

Spray Carpet  
***Do Not Over Wet***

Use Dual Brush Carpet Machine  
work machine forward and  
back producing 6 inch wide  
triangle shapes as you  
clean.

Lift carpet fibers in one  
direction with **Jet-Clean  
Brush.**

Fan dry then remove Wet  
Floor Signs.
